[TO STATE HOUSE REPUBLICAN DELEGATION]

The Lancaster Chamber of Commerce & Industry, representing over half of the County's workforce, thanks you for your support and co-sponsorship of HR 73, a resolution introduced by Rep. Curt Schroder, calling upon the Pennsylvania Congressional Delegation to oppose the Employee Free Choice Act, otherwise known as "Card Check."

Because Card Check represents the most significant and threatening legislative initiative to business in decades, this issue remains a top priority for The Chamber. In fact, our Board of Directors unanimously passed a resolution (enclosed) in strong opposition to Card Check, which is expected to be re-introduced and voted on in the U.S. House of Representatives soon. We continue to partner with chambers and associations across the state and nation to communicate a unified message of opposition. We also are providing tools for our membership to contact their elected officials and urge a "no" vote.

Again, thank you for your support of HR 73. We look forward to working with you to ensure business and employee rights are protected.

Should you have any questions, please call me anytime at (717) 397-3531.

Sincerely,

Thomas T. Baldrige, C.C.E.
President
