Lancaster Chamber Receives National Award for Communications Excellence

Lancaster, PA (June 5, 2012) – The Lancaster Chamber of Commerce & Industry is a recipient of the American Chamber of Commerce Executives' (ACCE) Award for Communications Excellence (ACE). The Chamber's entry received a Silver Award for its Think Local campaign. Entries receiving an ACE Silver Award surpasses the fundamental standards and criteria of communications excellence.

The Awards for Communication Excellence (ACE) is an annual competition that recognizes excellence in all areas of communications in Chambers across the Country. Celebrating its 28th year, ACE continues to be the vehicle for the chamber community to promote effective chamber communications, as well as highlight initiatives, introduce events and inform members.

The Lancaster Chamber of Commerce & Industry is one of the largest and most respected business organizations in the Commonwealth, representing more than 2,300 area companies. The organization provides programs and services to encourage the growth and development of its member companies; legislative advocacy to foster a positive business climate; and community leadership to ensure the business community has a voice in issues impacting the broader community.
