

THE LANCASTER
CHAMBER
 OF COMMERCE & INDUSTRY

The Lancaster Chamber Mentoring Program

sponsored by the Women in Business committee

The Chamber recognizes how important educating the future workforce is to the continued success of the business community and the County's quality of life. As part of our commitment to serving the community, your Chamber is offering a mentoring program to help educate and connect female students to professional businesswomen. For savvy businesswomen looking to invest in the future workforce, The Chamber encourages you to offer guidance and advice and consider taking part in this worthwhile endeavor – mentoring. **Completed forms are due no later than July 9.**

The program will kick-off during our Women in Business Luncheon on September 23 from 10 a.m. to 1 p.m. at Meadia Heights Golf Club. Mentors will be assigned to each participating student – students are juniors at Hempfield, Penn Manor, Manheim Township, School District of Lancaster and Warwick – based on their areas of interest. Throughout 2010 and 2011, students and mentors will have an opportunity to connect through various Chamber-sponsored events, including:

- October 21, 2010** As part of our Business Expo from 10 a.m. to 2 p.m., students and mentors have an opportunity to visit our exhibition area and attend our luncheon keynote. There is a charge associated with this event.
- January 13, 2011** Ice cream social and educational experience.
- March 2011** Completion of two business experiences.
- May 5, 2011** The mentor and student will attend the Women in Business Committee meeting slated for Thursday, May 5, which will include a luncheon. During the meeting, both the student and the mentor will be able to provide feedback on the program and share what they learned from participating in the experience.

Name _____ Company _____
