The Honorable Joe Pitts

Suite 716 (7th Floor)
Lancaster, PA 17603

Dear Rep. Pitts:

The Lancaster Chamber of Commerce & Industry is more than 119,000 members strong and represents approximately 2,700 businesses. Together with our affiliate, the Lancaster County Business Group on Health (LCBGH), we continue to be concerned with the impact the health care reform proposals will have on the business community.

As a diverse business organization, we believe it is absolutely essential that you hear from our members. The Chamber and LCBGH reached out to our memberships, asking for opinions on the legislative proposals and what policies business would like to see contained in a reform package. Enclosed you will find their comments, including their names and addresses so you may respond.

We ask that you please read the comments closely. It is our hope you will take our members' views into consideration as you prepare for this most important vote.

Should you have any questions, please contact The Chamber at 717.397.3531 or LCBGH at 717.239.6954.

Sincerely,

Thomas T. Baldrige, C.C.E.
President
