

# 2022 PRO-BUSINESS AGENDA

---

## GUIDING STATEMENT

The Lancaster Chamber is committed to fostering a positive business climate for all Lancaster County's businesses. We will advocate on behalf of our members at the local, state, and federal levels on the issues that have the greatest impact on the business community.

## WE ADVOCATE FOR YOU BY:

- Working with elected officials, staff and stakeholders to advance pro-business policies;
- Sharing the impacts of policy or legislative proposals on businesses with elected officials;
- Testifying at public meetings and hearings;
- Monitoring, reviewing and taking positions on proposed legislation and regulations with member input and guidance from the Advocacy Committee and Board of Trustees;
- Representing the business voice on committees and task forces; and,
- Supporting business interests in the media.

## WORKFORCE

### Meet Workforce Demands

- Support efforts to increase effective workforce training and service programs, which are critical for employers to find people with the right skills for the jobs available and for job seekers to find the right job to match their skills and abilities in the face of sector specific job losses.
- Promote policies and shared learning opportunities to support innovation, technology, and capital improvements to increase efficiency and productivity in the workplace.

### Strengthen the Future Workforce

- Support legislative measures that appropriate more long-term, sustainable K-12 funding through Pennsylvania's fair funding formula to ensure equitable access to high-quality education.
- Strengthen partnerships between post-secondary institutions and the employer community to meet workforce training needs and retain students in our community.
- Encourage solutions that increase resources for high-quality child-care to ensure families have reliable, safe, and affordable childcare.

### Expand Workforce Opportunities

- Promote workplace diversity, equity, and inclusion and support equal access to workforce opportunities.
- Remove barriers to employment for qualified workers, including immigrants or re-entrants, without adding mandates to employers in order to support the County's workforce needs.

# 2022 PRO-BUSINESS AGENDA (CONT'D)

## TRANSPORTATION, INFRASTRUCTURE & COMMUNITY PLANNING

### Connect Employers and Employees

- Launch a process to secure the business community perspective on long-term transportation needs (roads, bridges, public transportation, etc.) to address maintenance and new needs, specifically related to the passage of the 2021 federal infrastructure bill.
- Prioritize the needs and mobilize the community to advocate for the County's top priority infrastructure needs and projects (including Route 222, Walnut Street Extension, and Congestion Improvements on Route 30 East and Route 23).
- Collaborate with community partners on initiatives to sustain, create and promote favorable regulatory conditions for affordable housing and to ensure safe, quality housing options near job centers.

### Advocate for Community Needs

- Share the business perspective on utilization of American Rescue Plan Act funds.
- Advocate to increase high-speed broadband access for all residents, as connectivity is critical for businesses, remote workers, and education.

## REGULATIONS & TAXES

### Improve Competitiveness by Creating a Business-Friendly Tax & Regulatory Environment

- Support legislative measures that would improve our business climate and strengthen our ability to create, attract, retain, and expand jobs.
- Advocate for a regulatory environment that is balanced and not burdensome for business.
- Inform businesses on employment law changes and impacts to their business.

### Encourage Responsible Stewardship of State & Local Finances

- Support structurally sound, on-time budgets that do not place undue tax burdens on the business community or reduce the effectiveness of essential state programs.
- Support a two-year budget cycle and zero-based budgeting for the state budget.
- Support measures to give cities and municipalities tools that will ensure fiscal sustainability without forcing costs on overburdened residents or sacrificing public services and safety.
