

NXTGEN MENTORING MENTOR PROGRAM APPLICATION

Thank you for your interest in participating in our Women in Business NxtGen Mentor Program! The NxtGen Mentor Program: WIB facilitates the peer-to-peer pairing of women within the Lancaster community to provide support, inspire growth, and offer insight on personal and professional challenges. Seize the opportunity to offer encouragement and advice, define short- and long-term professional goals, and develop solutions to barriers to success. Tap into each other's networks to build a supportive community of women who can walk alongside you in your journey!

By participating in the program, Mentors and Mentees commit to the NxtGen Mentor Program for one calendar year, attend a January launch session, meet at least one hour every month as a pair, and complete a quarterly feedback evaluation.
