

NXTGEN MENTOR MENTOR PROGRAM APPLICATION

Thank you for your interest in participating in our NxtGen Mentor Program: Young Professionals Network (YPN)! Through a one-on-one mentorship opportunity, mentees are supported by their mentors in refining their career path, defining short- and long-term professional goals, and developing solutions to barriers to success. Mentors are encouraged to provide opportunities to their mentees to network with other Lancaster leaders.

By participating in the program, Mentors and Mentees commit to the NxtGen Mentor Program for one calendar year, attend a January launch session, meet at least one hour every month as a pair, and complete a quarterly feedback evaluation.
