**Recognizing the need for its Members to have access to reliable and affordable cybersecurity services, the Lancaster Chamber has partnered exclusively with Appalachia Technologies through the BizCorp Value Add Program.** The Appalachia Protect Program includes free resources and discounted services to help Members defend against today's rapidly evolving cyber threats. We will work closely with businesses to identify their unique cybersecurity challenges and develop customized solutions to meet their needs.

The "Appalachia Protect Program" is a unique cybersecurity program, offering exclusive benefits and discounts for Lancaster Chamber Members. The member-exclusive program features educational resources including a quarterly "State of Cybersecurity" Webinar and a "Dark Web Scan" available to all Chamber Members at no-cost. Additionally, there is a menu of services that Members can procure through the program. A few of the key services include:

- Compliance Assessments
- vCISO Services
- Security Awareness Training
- Managed Endpoint Protection
- Threat Detection and Response
- Penetration Testing

# MESSAGE FROM Your Membership Team

## Introducing Appalachia Protect, our newest Cost Savings Value Add Program!

We are excited to have Appalachia Technologies as a new partner and cost-savings program to offer to our members. Cybersecurity is a core need for all businesses and this new offering will help ensure that our participating members are prepared and protected against Cyber-related threats and attacks.

Appalachia Protect is a program that includes free resources and discounted services to help our members defend against today's rapidly evolving cyber threats. They will work closely with businesses to identify their unique cyber challenges and develop customized solutions to fit their needs.

"We are thrilled to be named the exclusive cybersecurity partner for the Lancaster Chamber," said Terri Bendl, VP of Sales & Marketing at Appalachia. "This partnership underscores our commitment to helping local businesses protect themselves from cyber threats. We look forward to helping Chamber Members improve their cybersecurity posture and achieve their business goals."

Please join us for our [Appalachia Protect Program Launch Webinar](#) on June 27th @ 10:00am, where you will learn all about this new program. **EVERYONE who attends will receive a FREE DARK WEB SCAN for you and your organization.**

We hope to see you there!
