

Educator Expectations

Thank you so much for engaging with our Discovering Paths program. We appreciate your time and effort facilitating this program for your high school juniors. We are grateful for your willingness to commit to the following:

- Championing the program within your school district
- Recruiting/nominating incoming 11th grade students to participate (in partnership with other school personnel)
- Hosting an information session for interested students
- Distributing and tracking students' completion of required forms and surveys; returning paperwork to Chamber staff
- Communicating program information to parents/guardians and students
- Connecting with your Liaison to provide timely and relevant updates on student participation and school process (as well as Chamber staff, as needed)
- Scheduling and providing transportation
- Sending reminders to students regarding upcoming sessions (we recommend utilizing Schoology)
- Scheduling and hosting fall meet and greets for parents/guardians, students, and mentors
